CONFIDENTIAL

Dear Ms. Miller:

As per letter received from Mr. Jeff S. Jordan, Supervisory Attorney, Complaints Examinations & Legal administration, I am taking the opportunity provided to respond to issued complaint MUR 5690 with regards that this response will remain confidential in accordance with 2 U.S.C. § 437g(a)(4)(B) and § 437g(a)(12)(A).

Prior to addressing the issues presented in the complaint, I would like to explain the overall operation of the Jim Gerlach for Congress Committee regarding the receipt and input of contributions data. Pursuant to the Finance Director's Campaign Service Agreement (Exhibit 1), the receipt, inputting and monitoring of contribution data was part of the Finance Director's responsibilities.

The campaign software company utilized as the depository of contribution and disbursement data and the filing of required FEC reports was Complete Campaigns.Com, located at 610 Gateway Center Suite K San Diego, CA. 92102.

The following is my response to complaint issues.

I. Gerlach failed to disclose the names of contributors who made donations through a joint fundraising committee in violation of 2 U.S.C. § 434(b)(3).

In response to statement made that I asked, "Is there anything else that we need to do for this", I believe that statement was misinterpreted. What the statement connotes was "Is there any additional information required, please do not hesitate to contact me." Also within the same response #2, I stated that the joint fundraising receipts entries were made into our Complete Campaigns. Com database by our Finance Director based on instructions received from Complete Campaigns .Com regarding input on individual contribution listing.

Referencing Exhibits 2,3,4, and 5, whereby, upon receipt of letter from Ms. Robin Kelly, Campaign Finance Analyst, dated June 16, 2005 highlighting fact that the itemized individual contributions did not appear on the April Quarterly report, I sent a letter to Mr. Ben Katz of complete campaigns. Com regarding this issue and received response via e-mail from Zsmith, support staff at Complete Campaigns, stating in 2nd paragraph that computer error was detected and was corrected with no need to worry about it. When amendments were filed via Complete Campaigns.Com the computer error was not corrected as they indicated to us thus causing the continued failure to list the itemized contributors.

II. Gerlach failed to accurately disclose the total amount of contributions received during the 2005-2006 election cycle in violation of 2 U.S.C. § 434(b)(2) by reporting receipts of \$3.3 million when it appears that only \$1.1 million was actually raised.

MUR 5690

27044154568

In response to this item, please refer to Exhibits 6 and 7 reflecting correction have now been made. With the inception of a new election cycle, Complete Campaigns.Com computer database form "Change FEC Starting Information" (Exhibit 6) needed to be changed. Also the General election Date and Election Date fields in the Complete Campaigns. Com form "Generate FEC Form 3"(Exhibit 7) needed to be changed to the 2006 dates. Due to clerical error, the starting information was not changed in the computer database and the typing in of the incorrect date of 2004 caused the receipts of the 2004 campaign cycle to be included and carried over into the 2006 cycle.

- III. Gerlach failed to maintain an accurate account of small contributions and failed to accurately disclose the total amount of contributions received from donors in violation of 2 U.S.C. §434(b) and (c).**

Clerical error input of refunds issued was inadvertently inputted as contributions rather than an expense causing the (\$8911.21) amount to appear as a negative unitemized contribution.

- IV. Gerlach apparently fails to accurately disclose the total amount of contributions received during the Third quarter of 2005 in violation of 2 U.S.C. §434(b)(2).**

Response same as Item III above.

- V. Gerlach fails to accurately report the cash on hand amount in violation of 2 U.S.C. §434(b).**

Response same as Item III above. The amended reports filed on 9/23/05 reflected current COH balances based on the corrected Year End Report filed on 9/13/05.

- VI. Gerlach failed to disclose all or some contributions made by individuals in violation of 2 U.S.C. §434(b)(3).**

Reference Exhibits 8, 9, 10, 11, 12, and 13.

1. Beth Myers – Exhibit 8 clearly reflects contribution of \$2,000 on 11/18/04. Exhibit 9 illustrates the transaction in detail
2. Ross Myers – Exhibit 10 clearly reflects contribution of \$2,000 on 11/18/04. Exhibit 11 illustrates the transaction in detail.
3. Robert Sataloff – Exhibit 12 clearly reflects contribution of \$ 500 on 11/2/04. Exhibit 13 illustrates the transaction in detail. This transaction was recorded for the 2004 cycle.

The above transactions were properly inputted into Complete Campaigns. Com database. Computer transmission error was responsible for not being itemized in previous reports.

- VII. Gerlach accepted contributions from persons in excess of \$2,100 per election in violation of 2 U.S.C. §441a(a)(1)(A).**

Check from friends of John Perzel in the amount of \$4,000 was accepted in error and inputted into Complete Campaigns .Com database.(Exhibit 14). Upon receipt of check, Finance Director was to issue letter to sender explaining contribution limitation with option of returning original check or asking for documentation to support splitting amount to both Primary and General election. This did not occur; therefore, refund check will need to be issued with correct database entry being made to resolve this error.

27044154569

VIII. Gerlach apparently accepted a prohibited contribution from a corporation in violation of 2 U.S.C. §441b.

Original contribution by Warner Road Associates was correctly accepted and inputted into database by Finance Director as a partnership indicating that Mr. Richard Ireland was a partner. (Exhibit 15). Complete Campaigns lists only primary occupation and employer in its "Individual" database. (Exhibit 16) To that end, I believe contribution received and recorded was properly done.

IX. Gerlach fails to accurately state the purpose of disbursements resulting in confusing and inaccurate reports in violation of 11 C.F.R. §104.3(b)(3)(i).

The issuance of disbursement checks to the United States Treasury- Internal Revenue Service was a directive received by the IRS pertaining to fundraiser consultant – Eleanor Martin Cadden whereby all fees earned by Mrs. Cadden inclusive of retainer and commission, were to be issued to the IRS with checks made out to the United States Treasurer – Internal Revenue. See exhibits 17 and 18. Original directive is filed with campaign office. Please contact the IRS office in Cherry Hill, NJ to validate issuance of directive.

X. Gerlach discloses limited payments for administrative expenses such as state employment taxes may result in violations of Federal and state tax law.

Individuals listed in number 55 of complaint are independent contractors and are issued Form 1099 – Misc for individual reporting of taxes. Exhibits 19 and 20 reflect copies of form 1099 issued for fees earned in 2004 for both E. Allen and A. Randzin. Forms 1099 will be issued by required date in early 2006 for fees earned by E. Allen, A. Randzin, and E. Reinholt in 2005.

Conclusion

In addressing the complaint issued I have concluded that many of the errors mentioned were part human error and part computer error in regards to the transformation of data. No error was intentionally committed to misrepresent the Jim Gerlach for Congress Committee but one of being an honest mistake. To that end, pursuant to my resignation as Treasurer, I have been in contact with new Treasurer, Mike DeHaven regarding the issues raised in this complaint. He is in the process of preparing proper amendments to correct the noted discrepancies.

Sincerely,

Alan J. Randzin

Dear Mr. Randzin:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule B of your report discloses disbursements to credit card companies. When reporting payments to credit card companies, if the payment to the original vendor aggregates in excess of \$200 in an election cycle, you must itemize, as a memo entry, the name and address of the original vendor, together with the date, amount and purpose of the expenditure. If itemization is not necessary, you must indicate so in an amendment to this report. Please correct your report to include the missing information. (11 CFR §104.9)

Hey Alan,

The 11 CFR 104.9 Error on the Schedule B report was generated in the FEC filing because you did not list sub vendors for your VISA expenses. You need to list sub vendors on VISA transactions.

The 2 USC 434 Error was being generated because various committees at some point were filed as individuals. It looks like this has already been corrected in your database, however, so you don't need to worry about it.

If there is anything else you need, feel free to give us a call.

Dear Robin:

In response to your letter dated June 16, 2005 regarding Schedule B as to disbursements to credit card companies, and itemization on Schedule A, please note the following actions taken:

- 1) Have properly corrected all credit card payments reflecting the required itemizations needed for both Year-end Report and April Quarterly report. Filed amendments to reflect corrections made.
- 2) As to itemization for Schedule A, please refer to attached e-mail received from Complete Campaigns addressing the issue and resolution. Again, as they stated amendments just initiated will correct this issue.
- 3) Based on our recent conversation related to the Joint Candidate Committee receipts received on 12/20/04, I contacted Complete Campaigns and they informed me to provide info within their memo field of which I completed and included in amendment completed (enclosed copy of fax note send and e-mail response).

Please advise if there is anything else needed to be done.

Thank you.
